## Tiered Wedding Experiences

From the small intimate mid-weeker, all the way through to our ultimate wedding experience, our tiered wedding packages have something for all couples, and include all aspects of creating that perfect day for you and your guests.

### The Peatling

#### Small Intimate Mid-Weeker

The ideal solution for a humble wedding and for those who want a more intimate affair by using our main building's three rooms and gardens, excluding our large marquee. You will still get all the lavish wedding essentials but with a lot smaller price tag.
